CONSTRUCTION HITS RECORD DURING MAY

McKeon and Doelger projects skyrocketed construction in Daly City to a high for the year last month as 145 building permits started \$1,206,633 worth of construction here.

Sixty-eight Doelger homes in Unit 9 and 39 newly

launched houses in McKeon's vast St. Francis Heights development comprised the bulk of the record May total.

The new Doelger dwellings are valued at \$548,642, and the "kick off" McKeon Unit 1 project amounts to \$390,478.

The May permit total was more than double the figures for April when 78 building permits authorized construction valued at \$502,027.

City Building Inspector George Hopman said the May construction total was the highest since September of last year when the figure hit \$1,149,838.

Hopman said the May breakdown showed: 107 new dwellings (McKeon and Doelger), 23 dwelling alterations, one new Doelger apartment project (46 units, Park Plaza drive), one alteration to an apartment, two commercial alterations, eight signs, one fire damage repair and two buildings moved.

DEMOCRATS DOMINATE

10,163 Ballot Here In Primary Turnout

Last week's primary election saw 10,163 of Daly City's 15,768 eligible voters reporting to the precincts as Democrats took the upper hand throughout the county.

Figures released today by County Clerk John A. Bruning showed that 122,321 voted in San Mateo County—a 66 percent turnout. Registered voters number 185,290.

Briefly, of Daly City's total eligible voters, 50.5 percent are women, and 65 percent (10,241) are Democrats.

In the top state race, Attorney General Pat Brown mustered a 67,358 to 48,408 margin in San Mateo County over the GOP's Bill Knowland.

Brown Strong
Daly City voters gave Brown a 7168-2574 edge over Senator Knowland. On the Coastside, Pacifica voters favored Brown, 3473-852. Colma had Brown in front, 81-42.

In Pacifica, 4534 residents voted last week. In Colma 137 responded.

Demo Clair Engle topped the county returns for U.S. Senator with 44,434 votes. Mayor George Christopher was second, with 38,399 votes to 30,971 for Governor Goodwin Knight.

Daly City gave Engle 4141 votes, Christopher 1598 and Knight 807. Pacifica polled 2166 for Engle, 631 for Christopher and 409 for Knight. In Colma, Engle led with 39, Knight had 15, Christopher 12.

District Attorney
Most interest in the local non-partisan races focused on incumbent Keith Sorenson's heavy win over Judge Tom Bocci Jr. in the district attorney scrap. Sorenson had 67,238 votes, Bocci 48,811.

Bocci led his rival in Daly City, 5702-3857; in Pacifica, 2667-1629, and in Colma, 96-37. Daly City attorneys John J. Fahey and Charles Becker qualified for the November runoff for Municipal Judge of the Northern Judicial District, which will decide Bocci's successor on the bench.

Fahey got 13,713 votes and Becker 13,442 in the primary. Antonio Gaudio, the third candidate, was eliminated. He polled only 5653.

Fahey-Becker
Fahey topped Becker in Daly City, 4511 to 3912, and in Pacifica, 2123 to 1429. In San Bruno, Fahey's margin was a narrow 2641 to 2602, while South San Francisco had Becker on top, 3973 to 3072. Becker also was high in Colma, 82 to 34.

Fahey led Becker in Broadmoor, 591-578, but Becker topped his rival in Bayshore, 310 to 223, and in Brisbane, 385 to 305.

Trustees Okay JESD Faculty Salary Hikes

Trustees have given Jefferson Elementary School District's teachers a 7.1 percent pay hike effective this September.

Starting salaries will be upped from \$4200 to \$4500, and the maximum pay step raised to \$7875 from the present \$7350. Under the new schedule, the raise amounts to \$15 for each step teachers attain.

The boost means an expenditure of \$89,720 more in total salaries. For 1958-59 school year, the district's salary outlay for an expected 215 teachers will amount to \$1,158,524. Twenty-six of the proposed staff of 215 are special instructors and coordinators.

The decision of the board, bringing the teachers up to reasonable wages (compared to other similar-size districts), was made to keep pace with the cost of living.

November Showdown Is Asked

Councilman Edward Dennis Monday night made the first move to junk the Daly City sales tax, in force here since April 1.

The union president asked City Attorney Paul Hupf to investigate the legality of putting sales tax to referendum vote this November. No other discussion was held and Hupf was instructed to reply by next council session.

Dennis and freshman Councilman Bob St. Clair, along with Mayor Michael DeBernardi, believe the matter should be decided by vote of the people.

Three Favor

Dennis admits he favors immediate repeal of the sales tax ordinance by vote of the council. But he suggests the referendum decision and is backed by St. Clair and DeBernardi.

The "old" council passed sales tax February 10 by 3-2 vote after a stormy public session. DeBernardi and Sanford Vickers were against the levy, while then Mayor Joseph Verducci and Councilmen Francis Pacelli and Del Wilson won its passage.

DeBernardi said he had never promised to repeal sales tax, "but I was and am in favor of a referendum decision on the levy."

"Back in February," the mayor continued, "the council did not give the public opportunity to have its voice on the tax."

Timetable Needed

DeBernardi added it would take "at least four or five months for us to determine a timetable for capital outlay expenditure."

"We must decide what im- (Continued on Page 2)

BRISBANE SCHOOL LEADER RESIGNS

Superintendent Natalie Lipman of the Brisbane and Bayshore elementary school districts Tuesday night told the intermediate school graduation audience that she was resigning her post.

Reasons for her decision and her immediate plans were not available at press time. This newspaper was unable to contact her for an official statement.

Colvin Named To Tromborg's Planner Post

On motion of Councilman Bob St. Clair, realtor Art Colvin Monday night was appointed to the Daly City Planning Commission.

Colvin will fill the unexpired term of veteran Tom A. Tromborg, prominent local plumber, who said business commitments prompted his letter of resignation. Tromborg's term runs out in August next year.

Unanimous in naming Colvin, the council accepted Tromborg's decision "with regret" and voted a letter commending his service to the city.

Councils' Meeting

Daly City councilmen and administrative officials will attend the North San Mateo County Council of Cities' meeting this Thursday night at Brentwood Lodge.

CITY LAUNCHES SUMMER REC SLATE MONDAY

One of the most comprehensive public recreation programs in the history of Daly City and Colma will be presented when the 1958 summer program swings into action next Monday.

With the combined efforts of the Daly City Department of Parks and Recreation, Jefferson Elementary School District, Jefferson High School District, James L. Snell P.T.A. and the Colma Community Center, many thousands of boys, girls and adults will have an opportunity to take part in a many varied activities.

A total of 16 playgrounds and community centers will offer supervised play — Monday through Friday — for an entire 10-week program which concludes on August 23.

Special activities such as arts and crafts, dancing, tumbling, movies, puppetry and storytelling will highlight the programs at the various playgrounds throughout the area.

The following is a list of all facilities and recreation leaders who are assigned to them (9:30 a.m.-4:30 p.m., M-F):

Benjamin Franklin School—Joanne Richards, Rick Warner; Colma School—Bill Mendoza, Margie Russo; Colma Community Center—M. Pauline Brown; Crocker School—Bob Sexton; Edgewood Park—Thelma Steele; Frankfort Park—Bruce Grazini; Garden Village School—Joyce Tubbs; Frank Pisa, John Belforte; Jefferson School—Jack Groth; Lincoln Park—Pat Coney; Marchbanks Park—Phillip Palen, Frances Riley; Olympia School—Sue Boverman; Vista (Continued on Page 2)

Demand Colma Pay \$120,000 Flood Damage

Colma officials this week were confronted with claims in excess of \$120,000 for alleged damage caused by the recent flooding of industrial plants in South San Francisco.

James W. Halley, Colma city attorney, said the claims cover the same items of damage as have been previously claimed against the city of South San Francisco, and "apparently relate to Colma Creek."

Halley added, "Our city notes with interest the fact that the claimants are progressing 'up stream' in lodging their demands. Since the damage, if such exists, was the result of one of the most unprecedented rains in California history, it would seem sound judgment for claimants to continue their upstream course, ultimately to lodge their demands with a still higher authority."

ALSO UPPER STAFF PAY HIKES

Curriculum Director Proposed For JUHS

High school trustees, on the eve of accepting a record, no-tax-hike '58-'59 budget totaling \$2,465,000, today are weighing one proposed new administrative position and pay raises for the two principals, deans and possibly two assistant principals.

Supt. Ed Morgan, himself not asking for an increase in salary, presented the recommendations "in an attempt to bring our administrative personnel at least up to the Bay Area average for comparatively-sized districts."

Classroom teachers here had their pay hiked last month.

If the administrative pay changes are accepted by the board, total administrative salaries for the next school term would hit \$90,000, only \$4000 over the present sum.

170 Graduate In Jeff High Commencement

Trustee Ann Eason will present diplomas to 170 Jefferson High seniors this Thursday night in graduation exercises at the boys' gym, beginning promptly at 8 o'clock.

Addressing parents and friends the class speaker will be Edward Davis. Gladys Grassini is valedictorian and Barbara Giusti is salutatorian.

Richard Larsen will lead the school band in renditions of "The Bells of St. Mary's," a march procession, and the "Land of Hope and Glory," the theme from "Pomp and Circumstance."

The Girls' Chorus will sing "Break Forth O Beatus Heavenly Light," "The House I Live In," and the always popular "Comin' Through The Rye." Miss Eunice Seaton, choral director, will be accompanied by Miss Jo Ann Bhend.

Principal John Morgan will present the class, District Supt. Edward Morgan will award the honors, and Mrs. Eason will complete the festivities.

Councilmen, Please Excuse The Gent!

Robert "Bob" Hunter, city auditor, has asked city councilmen to excuse him from this Friday evening's budget study session.

The keeper of the city books just won't be available.

He'll be receiving his law degree from Golden Gate College. Cap 'n gown, yet!

DEADLINE IS FRIDAY

11 Beauties (So Far) Will Compete For 'Miss Daly City' Next Week

At press time today a record number of 11 beauties had taken out papers for the fourth annual "Miss Daly City" contest.

Deadline to enter is this Friday, June 13. Judging will be held on Thursday evening, June 19, 7:30 p.m., at Westlake Joe's.

The sponsoring Chamber of Commerce and contest chairman Ray Logan are jubilant at the response. The winner, besides bagging a flock of prizes, will represent Daly City at the "Miss San Mateo County" contest. The county winner advances to "Miss California" competition.

Eligible for the Daly City contest are unmarried Daly City and Colma girls, 16 to 26, who have lived in the county at

Ex-DC Mayor Paul Green lost to incumbent Ralph Woodman in the runaway county assessor race, 78,918 to 17,908. Harry Ryberg of Menlo Park, third candidate, got only 8079 votes.

Green failed to carry two areas where he expected heavy support. He was outvoted by Woodman in Daly City, 4434 to 3839, and in Pacifica, 2393 to 1249. Colma gave Woodman 68 votes, Green 39 and Ryberg 4.

In the 9th Congressional District duel, Demo Almadia defeated incumbent J. Arthur Younger in Daly City, 4680 to 1623, and in Pacifica, 2117 to 1031.

Incumbent Lou Francis, 25th Assembly District, was second best in Daly City and Pacifica returns to Democrat Leo Ryan, South San Francisco resident. Ryan led in DC, 4751 to 1446, and in Pacifica, 2416 to 691.

Carl Bristchi, 26th Assembly incumbent, topped his Demo adversary, Robert Collier, by 36,153 to 21,184, as each looked to the November showdown. Bristchi's margin was the biggest for a Republican in county balloting last week.

Veteran Edward McDonald, 5th District Supervisor, kept his job by defeating Kyle Barringer, 71,859-26,308. In Daly City, McDonald was on top by 5460 to 2047. He was high in Pacifica with 2485 to 1178.

T. Louis Chess, with 29,679 votes, and Daniel Monaco, 23,553, made the November runoff for the 2nd Supervisorial District seat. Victor Binsacca led in DC, with high vote of 2428, followed by Monaco, 1949, and Chess, 1731. Pacifica top vote went to Binsacca, 980, with Mrs. Vera Eskin second and Monaco third.

Council Solves Fairway Drive Traffic Needs

Homeowners along Westlake's Fairway drive got council action to lessen traffic hazards Monday night as city fathers heeded the police department survey by authorizing stop signs and other safety measures.

Second woe of the Fairway folks, the backyard erosion problem, can't be resolved by the city until owners of the golf course correct—as requested weeks ago—a clogged storm drain condition.

Golf Officials

Otis Calhoun, city engineer, and City Manager Howard Stites Monday told the council that the city was handling its part of the storm drain problem, but as yet the golf officials had remained silent.

In another key item Monday, the council learned from B. W. Booker, State Highway engineer, that traffic signals on Mission street in front of Jefferson High school are not warranted at this time. Booker said the state would be continued, failed to show that the traffic load was heavy enough to require signals.

Mayor Micheal De Bernardi said the problem wasn't the traffic hazard but the pedestrian hazard to students.

He suggested that manual signals could be installed, for use only during school hours.

De Bernardi urged the council to keep the state busy checking the matter, and also suggested that a similar survey be launched this fall for signals at the Mission-School street junction.

ACTION. The citizens committee battling the firing of the city manager, in a lengthy letter to the council Monday denied "the allegations" that Stites was soliciting their help to keep his job.

Signed by Willard Barton, Wayne Douglas and Robert Hirsch, the letter stipulated that ACTION was formed to "stimulate and assist good government."

The letter called the decision against Stites "irresponsible and unjustified legislation . . . which will produce adverse effects and benefit special interests."

Claiming the reason for ousting Stites "didn't add up," the letter said Stites' reputation "was being smeared" despite the fact he has done "a fine job."

Councilman Francis Pacelli said he concurred with the purposes of ACTION, citing the rights of individuals to "band together to work for good government."

De Bernardi said he had never denied the ACTION people the right to be heard, and Councilman Bob St. Clair said he agreed that ACTION apparently was formed for good intentions. But St. Clair suggested that the citizen group "should have been more tactful in using the name of an organization whose title is copyrighted."

St. Clair was referring to the national ACTION unit, the American Council To Improve Our Neighborhoods.

In other matters Monday, the council:

1. Denied request of Julius Castelan for a storm drain easement on Bellevue avenue. Council held the owner responsible for the drainage.

2. Okayed Oleese annexation after final public hearing, and delayed hearing on similar small parcel annexation at Edgemoor road and San Pedro road.

3. Adopted ordinances for C-1 zoning of Abbey home-stand, lands of Zanone and lands of Schenone.

4. Approved new traffic code authorization of stop signs at Citrus-Willits intersection.

5. Granted business license to Ernie Del Sarto for a restaurant-bar business at 7123 Mission street.

6. Referred \$20 claim of Roy J. Doyle, 89 Garwood drive, for alleged damage to fence caused by log falling from Edgewood park, to city attorney.

CITY LAUNCHES SUMMER REC SLATE MONDAY

(Continued from Page 1) Mar — (If Completed); Westmoor High—Jim Sochor (Monday-Saturday); War Memorial Community Center—Days, Tom Pollicita, nights, 7-9:30, Rich Watso; Westlake Park—Lorraine Saltzman; Westlake School—Ken Rice.

SPECIALISTS—Movies, Rich Watso; Special Events, Mike Sibitz; Arts and Crafts, Eva Ling; Music, Frances Riley; Municipal Sports, Al Figueroa; Tumbling-Dancing, Ivan Cohen; Story Telling, Margie Russo; Puppetry, Darrene Ushoeffer.

Because of the large scope of the program and the additional facilities which are being opened, the Daly City and Colma areas have been set up in two districts.

Elman Rose, veteran Daly City recreation personality, will supervise personnel and facilities in the west section, including the unincorporated areas, as well as all special events and activities.

Charles E. Vincent, Daly City supervisor of recreation, will be in charge of the eastern portion of the city as well as handling all municipal sports and athletics including the Junior Baseball School.

A new emphasis on junior baseball will be in effect this summer. Two separate schools of basic instruction will offer fundamentals of the sport.

Every Thursday throughout the summer, special events such as Junior Olympics, carnivals, roller skating, fishing, surprise days, and tournaments will be held at many playgrounds and special areas.

Adults as well as youth are being included in the ever-expanding program. Each Thursday night, War Memorial Community Center will be turned over to the adults for badminton, table tennis and volleyball. Even ballroom dancing instruction will be offered if there is enough interest.

Adult softball leagues will be featured Tuesday through Fridays at Westlake Park, beginning at 6 p.m.

Family nights, an evening program for the whole family, will be held at most schools where indoor facilities are available. Movies, stunt nites, community singing, pot lucks and other activities which appeal to the entire family will be featured. This schedule is available from your local playground.

Westmoor High School's outdoor facilities will be used for the first time by the Daly City Recreation Department. This has been arranged through the courtesy of Jefferson High School District.

Another new addition to the recreation program is Vista Mar School at Southgate and Brooklawn. Plans have been made with the school district to use this area just as soon as it is completed enough to begin operation.

A detailed copy of the entire summer schedule is available at all playgrounds or by calling the Department of Parks and Recreation at PL 5-0850, extension 18.

Sales Tax Vote Demanded Here

(Continued from Page 1) improvements must have priority. Much of this money will come from sales tax revenue. It's up to the council to determine if sales tax funds are necessary to meet these projects."

De Bernardi said the main immediate needs are for fire station sites and water department improvements and equipment. He also cited the need for funds to expedite the new Westlake library and the civic center site.

"Some of our capital outlay projections span the next six years," he continued. "The council may decide to revoke the sales tax now—depending on availability of money for priority projects—then if the people desire, return sales tax at a later date."

De Bernardi reiterated that he preferred referendum decision on all big items of capital outlay expenditure.

"It boils down to the responsibility of the council to decide in its '58-'59 budget what cut-backs would be necessary should sales tax be voted out."

Planners Set Cement Plant Zoning Hearing

Public hearing has been set July 7 by the planning commission for Southern Pacific Company's request to have the area west of the parking lot at Marchbanks Park zoned commercial for a cement plant.

Buyer of the land from the railroad has agreed to give the city access to the park on that side.

The city recreation commission opposes the commercial operation, but the council held that Southern Pacific's asking price for sale of the parking lot space was "out of the question."

Planners continued to August 12 public hearing on zoning petition of Callan Builders on homes, apartments and shopping center in 21-acre parcel.

Hearing on rezoning request of Hugh Smith Jr. for three lots near Mission Bell Motel was set for July 9.

In other business Tuesday, the commission:

1. Approved use permit application of Lazaro Martinelli to construct four-room home at 99 West Cavour.

2. Denied application for variance, requested by Ervin Sheldahl, to build new living quarters over garage, 558 Hanover street. Property is zoned R-1, therefore two homes cannot be constructed on one lot.

3. Granted use permit application of John Zomori, 198 W. Moltke, for two new apartment units and remodeling of home, and okayed use permit application of Henry Petersen Jr. to move three homes on two lots on Mission between Knowles and Los Banos.

SUMMER-TIME IS VALUABLE

This is getaway week for thousands of youngsters. School's out this Friday and the long hot summer (maybe not too warm) brings much idle time that should be put to constructive use.

Daly City's biggest-ever summer recreation program certainly warrants praise for Director Dee Van Nest and his staff. They are using every facility and means at their disposal to accommodate kids and adults alike.

Parents would be wise to join their youngsters in the many summer activities. This support-from-home can help to convince the small fry that participation isn't just a means of keeping them out of the house and off the streets.

Daly City has had its share of juvenile delinquency. Naturally it mounts in frequency at vacation-time. But the city recreation program each year helps to combat this problem and much progress has been achieved.

We know that no youngster is born basically bad. They get into petty trouble mostly because spare time is spent in worthless pursuits, and sometimes in the wrong company. Unless parents and the community are concerned, these situations get out of hand and the consequences become more severe.

Daly City is attempting to meet its challenge for youth. New facilities are hard to come by, but citizens can be sure that the best program possible has been formulated by the men at city hall.

KIP Workshop News

By Martha Garbe
Kipsters Gail Vours, Gail Barsotti, Cathy Cubie, Rich Smeria, Mike Smeria, and Gail Wyman, accompanied by Miss Donna Tillson, were auditioned for the Moose "Search for Stars" talent show, last Saturday.

KIP Workshop will meet once a month at the Community Center in Daly City, starting with the June 17 meeting, and on each third Tuesday thereafter.

Plans for the installation party are in the making, and Kipsters will be notified as to time, date and place. There will be plenty of refreshments and dancing.

Mrs. Kay Irvine, besides all her KIP activities in Daly City and South San Francisco has joined forces with Mrs. Pauline Brown of the Colma recreation department. She plans to devote a couple days a week to helping Mrs. Brown with children's activities and recreation there.

Mr. and Mrs. Jack Irvine have moved into their new home in Winston Manor and will soon be "at home" at 59 Arlington drive.

Heart of KIP activities will remain in Daly City. Any other groups formed elsewhere will be "branches" of the Daly City group.

Volunteer coaches, in singing groups, theatricals, dancing, accompanists, etc., are still needed to keep KIP rolling along. Anyone interested, please contact Mrs. Martha Garbe, PL 5-0133, or Mrs. Salade, JU 7-4301. Talented children and adults may also contact either of the above to make appointments for auditions for the various army hospital and missile battalion shows, scheduled throughout the summer. New talent is always welcome and needed.

Plans for a "Giant Double Car Wash"—fund-raising project for KIP, are set. Date will be chosen upon the return of the Blue Jacks from vacation. Michael DeBernardi, and our pal, Joe Lewkowicz, according to executive board member Joe Di Maggio, have agreed to the use of their combos will play at these sites to entertain customers during the car washing.

PRINCIPAL Glenn South encourages and congratulates speakers at the Westmoor High graduation—the first in Walker and Sally Traeger, the new school's history. Miss Goldkuhl was valedictorian, Miss Walker the salutatorian, and Miss Traeger the class speaker.

172 Seniors... Farewell 1958 WESTMOOR HIGH GRADUATES

Daly City's Westmoor High School graduated its first class of seniors on Wednesday evening, in an historic ceremony in the boys' gymnasium.

Diplomas were handed to 172 seniors by Elio A. Fontana, chairman of the high school district board of trustees.

"Confidence Through Education" was the topic of class speaker Sally Traeger. Nancy Goldkuhl was class valedictorian and Audrey Walker was salutatorian.

Principal Glenn South presented the class, followed by the awarding of honors by Supt. Edward Morgan and the diploma presentations.

The Westmoor High band, directed by Alfred B. Rummels, played the "King Midas" overture, the "Triumphant" procession, "Janus" overture, and a recessional by Skornicka.

The Rev. David Leach delivered the invocation and Rabbi Solomon A. Shore the benediction.

Members of Chapter 537 C, California Scholarship Federation, served as ushers.

John Mazzella won first prize trophy in the recent photo contest for students at Natalie Lipman School of Brisbane.

Awards were made last week at a school assembly.

Marchbanks Publications, participating in the judging, presented Certificates of Merit to Bob Kasper, Jo Ann Blanchard, Ruth Clayton, Peter Mozzetti, Ronnie King, Charles Mozzetti, Donald Mays, Nancy Smith and John Deher.

CRACKING THE ROCK BARRIER
Cracking the rock barrier is a way of perking up sluggish oil wells, according to National Automobile Club. Liquid or gel mixtures are forced into tight, oil-bearing rock formations under great pressure. This pushes the rock apart so that crude oil trapped in it can more easily flow out.

Arlene Johnson, 6-year-old talented acrobatic dancer, teased herself coming and going these days. The little Kipster, will perform at Nourse Auditorium in San Francisco, June 15, in a major production. On that same day she will perform in "Kay's Kapers," under the direction of Kay Farrell, at the Grand avenue auditorium, South San Francisco.

8 Daly Cityans Sunday Receive CSM Degrees

Eight Daly City residents will be among 407 graduates in College of San Mateo graduation exercises this Sunday afternoon, 3 o'clock, at San Mateo High School auditorium.

Receiving associate in arts degrees will be: Ronald L. Anguillo, 18 East Moltke; Michael Gustav Dotterweil, 179 Winchester street; James Patrick Larkin Jr., 170 Oliver street; John Allen Long, 228 Los Olivos; Phillip Keith McCowen, 167 Santa Cruz; Kay Robyn Pexton, 139 Crestwood drive; Robert Riley, 330 Irvington street, and Florence Annette Zanobini, 53 East Cavour.

Eleanor D. Nettle, president of the board of trustees, will award the degrees. Principal speaker will be Dr. Lester E. Reukema, professor of electrical engineering at University of California in Berkeley. His address is entitled "An Inquiring Mind in a Changing World."

3 More New Teachers For High Schools
Trustees Monday night hired three more new high school teachers for this September.

Joining the Westmoor faculty will be homemaker instructor Mrs. Patricia Erbes, who was graduated Saturday from San Francisco State College.

Jefferson additions are Clifford J. Braun, science department, former student at SF State and Southern Oregon; and Norman Cady, social studies and physical education, a Jeff High graduate who interned here this spring and also is an alumnus of SF State.

TIRES CHANGED
Service cars changed a total of 50,847 tires on vehicles crossing the San Francisco-Oakland Bay Bridge since the opening of the bridge through April 30, 1958, reports the National Automobile Club.

JEFF HIGH VETERAN

Beatrice Moldrup Ends Teaching Here

By Lola L. Bermudez
Beatrice Moldrup, faculty member at Jefferson High School, is retiring after 30 years of teaching.

Miss Moldrup, a native San Franciscan and for the past ten years a resident of Daly City, graduated from high school in Del Norte County and received her Bachelor of Arts degree and teaching credentials at the University of California in 1922.

Since that time she has been teaching mathematics for 19 years at San Joaquin Valley High School as well as three years at Visalia High School before coming to Jefferson High nine years ago.

At Jefferson she taught mathematics for the first seven years and for the past two years has been director of test-

ing in Jefferson High School District for San Mateo County.

During her tenure as a teacher, Miss Moldrup has maintained an avid interest in traveling, having visited Japan, Europe and Mexico as well as having toured extensively throughout the United States.

The faculty and administration at Jefferson High had a banquet in her honor and gave her a set of luggage with which she plans to pursue her travels in Europe in the near future.

"The students, faculty and the administration with which she has been affiliated all have often expressed their high regards for her and will miss their immediate association with her very deeply," commented Supt. Ed Morgan.

COLMA SCHOOL

Graduation Dance Is 'Platter Party'

A "platter party" was attended by 283 eighth grade students at Colma School Friday night. This annual graduation dance, sponsored by Hillside PTA, the eighth grade

parents and the faculty, was held in the multi-use room.

Spinning platters, musical instruments and notes, and simulated record albums carried out the platter party theme.

The grand march which opened the dancing was led by the following student body officers: Ken Addelson, president; Steve Elliott, vice-president; Pat Brice, secretary; Carol Sciaroni, treasurer; Carla Gomez, commissioner of awards and assemblies; Judy Logan, commissioner of student welfare; Lorraine Storm, commissioner of school spirit; Pamela Greenwood, commissioner of special offices.

Arrangements for the dance were made by Mrs. Richard Chauvin, hospitality chairman of Hillside PTA, and the following committee chairman: Mrs. Arthur Huelse, decorations; Mrs. Phillip Diltz, refreshments; Mrs. C. H. Davidson, favors; Mrs. George Themelis, flowers; Mr. and Mrs. J. Robinson set up a soft drink bar and furnished chairs for the students during the evening. Music was furnished by the orchestra of Vincent Seroa.

Chaperones included Dr. B. W. Gerdes, principal, and Dr. Lloyd Andrews, vice-principal; Don Leshner, president of Hillside PTA and Mrs. Leshner, Mr. and Mrs. Ben Silber, Mr. and Mrs. Lawrence Yule, Mr. and Mrs. J. Robinson, Richard Chauvin and Mrs. C. H. Davidson.

Councilmen agree they don't prefer a commercial firm that close to the recreation facility.

"Vice" made us blush crimson last week. We forgot to insert the word "vice" ahead of "president" in reference to a plug for DC's municipal employees. BARBARA GALINDO is vice president of the group, JOE INTASCHI the head man. Intaschi is no lady. He's a gentleman, all the way.

Monday's city council session may have set some sort of a record for speed. It started about 20 minutes late (8:20 p.m.) and lasted until 10 o'clock.

Audience numbered less than 20. Means 34,980 Daly Cityans stayed at home. Latest population estimates, that is.

Colma School followers will be pleased to know that it's a boy for Mr. and Mrs. Bud Miller, 73 Parma street. Mom Helen formerly instructed physical education classes at the intermediate school. Newcomer John Bradley on arrival May 29 loaded the Fairbanks at 9 pounds and 1 ounce. They grow 'em big in Colma.

The legend of CHARLES MUNDAY, animal-tamer deluxe, was furthered Monday when the DC cop and lion chaser answered a panic call from PUCINI's Junipero Serra vegetable mart.

A four-foot garter snake had shoppers ready to call out the Marines.

Charley-to-the-rescue came. He has a special "touch" with serpents and assorted four-footers.

Only two members of city officialdom attended the Spring Institute of the League of California Cities last week in San Diego. Councilman JOE VERDUGA and Manager HOWARD STITES made the excursion. Remaining city brass couldn't make it. The conclave attracted 350 delegates.

Daly City's biggest recreation program kicks off next week. DEE VAN NEST, city parks and rec director, and his sidekick, CHARLES VINCENT, deserve a premature round of applause. They could use at least two more full-time aides—this summer and year-round.

Columnist MONA BAKER, this paper, complains hubby JACK is away "too much" on weekends. He's merely Assistant Chief Steward of the Sports Car Club of America, San Francisco region. No small wonder he has little spare time. The foreign models are going like hotcakes.

A Master's degree was awarded to Mildred Onette Cramer, 161 Crestwood drive apartment 2.

ATTEND SERVICES
More than 100 million people in the United States attend religious services regularly.

COLMA Intermediate School faculty cited these young ladies and gentlemen as its outstanding scholars the past year. Back row, eighth graders, left to right: Ken Addelson, Marjorie Huculak, Harold Shurgin, Brown, Terry Boyle, Peter Polat, Front row, seventh graders: Lowell Williams, Penny Alquist, Carol Cosmo, Marjorie Reginelli, Maureen Murphy, Richard Waller. Absent were Barbara Burkett, Joyce Gaggero and Linda Collazo.

Something For Everyone

By Samuel Chandler
Daly City Librarian

At the recent meeting of the Daly City Friends of the Library, Luther Nichols, book critic of great renown, said that it seems a fact that the leaders of our country are readers. This statement motivated me to some private research. Here are some of the things I learned:

Long ago President Eisenhower learned that reading certain books will rest his mind from the multiplicity of cares he meets. During World War II he became a fan for the stories that he found in the Western pulp magazines, finding them soothing, entertaining, and requiring a minimum amount of mental work—the very therapy he needed to strive with Hitler's army.

Eisenhower's war time associate, President Roosevelt, also knew that reading would relax his mind. According to his secretary he relieved the tension that he knew during the war and during the depression by reading the Book of Common Prayer. While he was ill with poliomyelitis he read hundreds of books about many things. He was especially fond of books of knowledge that took his mind into realms not found in the movies.

Tradition says that Woodrow Wilson relaxed during the battle over the League of Nations by reading murder mysteries. But Wilson read much more than these. During his years in the White House he read nearly every issue of Atlantic Monthly and Harper's Magazine. Before he became president, he read many books of political science and history. He was, moreover, the author of several important volumes that are still widely read.

Abraham Lincoln was another president who loved to read. In their biography of him, Nicholas and Hay, who were his secretaries, tell of him coming to their room at night and in his night shirt to read and discuss Shakespeare's Henry VIII and Richard III. Of course, the story of how Lincoln educated himself by reading the Bible and dog-eared copies of Bunyan's Pilgrim's Progress and Weem's Life of George Washington are familiar to everyone.

Although not as much a devotee to books as Lincoln, Washington loved a good book. His favorite subjects were gardening, flower culture, and similar horticultural subjects. Shortly after he returned to Mount Vernon for the last time he complained to a friend that his farms were so run down that he didn't have time to look at a book. To give him this time he engaged his nephew to entertain the people who came as visitors to Mount Vernon.

Calvin Coolidge read everything he could find about the American Revolution. Thomas A. Edison received the spark that made him a great inventor from a book about Faraday. Henry Van Dyke relaxed with Tennyson's Idyls of the King. Ernest Hemingway read Mark Twain with great interest. Joan Crawford and many other stars found their greatest roles in books that they were reading.

Two Hog Ranches Hit By Burglars

Two old hog ranch buildings southeast of Westmont High School early this week were raided by thieves who broke windows and made off with valuable tools and equipment.

Reporting the burglaries Tuesday and Wednesday were owners of Progress Tallow Company and the mill firm now using the Consolidated Hog Farms structure.

New subdivision homes soon will force the sale of these hog ranch properties.

PERSONALITY SKETCH

... Sparkling black eyes ... shining dark hair ... an exquisite ivory skin ... truly as lovely as the legendary princess in the beloved fairy tale ... was Shirley Temple whom it was our privilege to meet at a press review of "The Sleeping Beauty" which was shown last week over "Shirley Temple's Storybook" (NBC-KRON).

Chatting briefly before the program, we discussed ... a subject that women usually manage to get around to discussing ... clothes and children. She told us that the magnificent gown that she wore for the program weighed approximately fifteen pounds. Made of black velvet and silk, the beautiful dress was covered all over with sequins.

In private life, happily married to Charles Alden Black, an executive of Ampex Corporation of Redwood City, she is the mother of three youngsters. We questioned her as to whether her children were critical of her program. She laughed and said so far they liked all of them.

A movie headliner at the age of six, Shirley Temple is known as the most fabulous child star in the history of motion pictures. Now as a charming young woman, she is adding more laurels to her career in the "Storybook" series, one of the finest programs ever produced for television.

The program is now at the halfway point, and plans for the remainder of the year have been announced by Alvin Cooperman, producer of the series for Henry Jaffe Enterprises.

Climaxing the series at Christmas, Shirley Temple will star as well as hostess in a lavish "Mother Goose" musical. Plans for the remainder of the year include "The Little Lame Prince," "The Magic Fishbone," and "The Wild Swans," "Rapunzel," "Ali Baba," "Hawatha" and "The Emperor's New Clothes."

Three Brisbaners CSM Graduates

Three Brisbane students will receive degrees this Sunday afternoon in College of San Mateo commencement exercises.

Diplomas will go to Janie R. Brauen, 460 San Bruno avenue; Barbara Lee Brenzel, 434 Mariposa street, and Joseph Goldstein Jr., 837 Humboldt road.

A graduate from Bayshore is George John Tacusis, 212 McDonald avenue.

Shopping with Sally

We feel just like we have been on a treasure hunt this week because we found some of the most exciting discoveries on our shopping tour.

One of the most thrilling finds was the fabulous new Thomas organ with the built-in hi-fi phonograph, and built-in teacher. We truly sat enthralled while Mr. Galliani of PALACE PIANO CO. demonstrated this remarkable instrument. Selling for only \$795 (bench optional) plus free Thomas LP records which give a full two year's course of instructions, the organ is a wonderful gift for the entire family.

Another exciting discovery and just in time for Father's Day were the good-looking Rough Rider slacks that are both machine washable and dryable at ARTHUR'S for \$15.95. They will make the most fastidious Dad happy because they are cool, durable and retain permanent press.

To go with those smart new slacks and a welcome gift for Dad on his day are shoes from MOSHERS in a fine selection of colors and distinctive styles. Also remember shoes are a welcome gift for the graduate.

To tuck in with Dad's gift what is more appropriate than a kiss ... well, that is ... candy kisses ... available this week only at GODFREYS for 59c per lb. While buying your candy do try some of their delicious ice cream in the most intriguing selections of flavors.

For mothers whose youngsters have time on their hands this summer, we think they will be pleased to hear about the special summer course at SF CONSERVATORY OF BALLET for only \$20 plus bus service that will pick up the students at a central meeting point in Westlake. Telephone JOrdan 7-3377 for more information.

Another most practical discovery we made was the fact that you don't have to go all the way down town to have electric shavers repaired. WESTLAKE SHAVER & APPLIANCE, conveniently located next to library at 32 Park Plaza in Westlake carry accessories for all shavers. Also they repair all small appliances.

A few doors down at LARSEN PLUMBING SERVICE we found another item that will please the busy homemaker who likes to keep her bathroom shining clean ... a new bathroom seat with a hinging mechanism designed so both seat and cover can easily be removed for thorough cleaning. Available in lovely colors to blend with any color scheme.

Just in time for summer vacation when you will be spending lazy days at the beach or swimming pool are the light, gaily-colored thongs for only 77c at KARLS. Mr. Julius Michaelis, new manager at KARLS, told us they just received a new shipment in sizes for men, women and children.

Speaking of vacations ... how are your tires? You will have some extra dollars left over to make that vacation really "super" if you take advantage of DALY CITY TIRE STORE'S special—four tires trued to your wheels, wheels & tires balanced, and front end aligned—all for only \$80.45 (a \$150.50 value).

Speaking of good buys ... there are also good sales. When we stopped in to chat with Mr. Harrison of GEORGE HARRISON REALTY he was all smiles because they had three listings in Broadmoor and sold them all in one week.

By the way have you tried one of TIPS 24c "burgers?" Made of government inspected beef, and prepared in their sparkling clean stainless steel kitchen ... they are a delicious treat. They also feature cheese, double burgers and a giant burger that is truly a creation.

If you own a Volkswagen or Porsche remember that DALY CITY VOLKSWAGEN is equipped with all necessary time-saving instruments and tools to do a job on your car. Remember, also, this personalized service is carried out by a specially trained organization of men who are experts in their respective lines.

Rodrigo Named Gator JV Boss

Dr. Glenn S. Dumke, president of San Francisco State College, today announced the appointment of Bob Rodrigo as the new Gator junior varsity football coach.

Rodrigo will take over the position vacated by Sam Devito who was appointed as the head coach of San Rafael High School.

A native of Vallejo, the 27-year-old Rodrigo is rated by Coach Joe Verducci and staff as one of the greatest backs in San Francisco State history. Rodrigo led the Gators to three Far Western Conference championships in 1954, 1956, and 1957. Last season he was voted the team's most valuable player, Little All-Coast back, All-Far Western Conference back, and co-captain for the Gators with guard Floyd Peters.

Rodrigo also won Little All-Coast football honors in 1954,

Belmont Speedway Offers New Card Of Thrills, Spills

Belmont Speedway, the only Northern California race plant staging two night of action entertainment for the devotees of the speedpath, is set for another week of thrills.

If Friday evening's motorcycle show is a criterion for this week, fans will find riders taking spills, the rule rather than the exception. An even dozen hit the dirt during the hard riding races, plus one unloading at the starting gate. Fortunately, "Lady Luck" was riding tandem with all 13, none suffering more than cuts and bruises.

Whether any of the 48 wheel jockeys will be carried to the hospital during the 15-event program remains to be seen, but the young speed demons will be racing for the checkered flag without fear. The show opens with time trials at 7:30 and the first race at 8:30.

The Wednesday hard top auto racers at Belmont had plenty of crackups and flips last week, with two cars getting six feet off the track before getting upsidetown.

Something new is slated for Wednesday nights, with NAS-CAR presenting a division for amateur drivers. Events for the non-pros will be added to the regular program, which starts with qualifying at 7:15. Competition gets underway at 8:15.

B'nai Israel Teachers To Be Honored

This Friday evening, B'nai Israel Congregation will conduct services which will include one year of reactivation as a conservative denomination in Judaism, Rabbi Solomon Shore officiating.

Theme of the evening will be to offer thanks to the Sunday school and Hebrew school teachers who have worked so diligently during the past year. Those to be honored are the Mesdames: Lucy Kallman, Jacob Goldberg, Paul Lichtman and Garry Marcus. Bernard Rubin, treasurer of the congregation, is the donor of gifts which will be given to teachers in appreciation.

The Oneg Shabbat following the services will be sponsored by Hans Traub, assisted by Bernard Rubin and Mrs. Reuben Pinkus.

The Men's Club are busy winding up the school year with a boat ride for the junior congregation, and on June 22 there will be a picnic for members and friends at Beresford park, 28th avenue and Alameda De La Pulgas, San Mateo, starting at 11 a.m. Ice cream for the kiddies and beverages for the adults will be furnished. There will also be an all around game night to be held at the social hall at 67 Los Banos avenue at 8:15 p.m. on June 19.

The Golden Jubilee Journal is coming along fine and the committees are busy planning layouts and pictures. More volunteer workers to assist in procuring ads are needed.

WHAT'S DOING

A. C. Latno, your Telephone Manager in Daly City

This young man's learning to climb a pole at a telephone "classroom in the sky." He'll get many hours of training, because there's a lot more to it than you might think. For instance, you have to make sure your right arm and leg move up at the same time. (Same with your left arm and leg). And you have to get the hang of the belts, the spikes, and all the other equipment. We have special schools not only for linemen but installers, operators, and many others. And with good, well-trained people on the job, you can be sure your service is in good hands.

Summer time is vacation time, and here's a tip to make your trip more pleasant. Before you leave, phone ahead for reservations. You can relax a lot easier, knowing you have a place to stay when you reach your destination. And the cost is small. Just look at the low out-of-town rates listed in your phone book, for instance. You'll be surprised to find how far you can call for only \$1 or less.

Two For Tonight

By Lenore Brewer

With their current production of Rodgers and Hammerstein's "Carousel," the Opera Ring has achieved a new high in production values. From the moment the audience enters the auditorium at 123 South Van Ness, they are caught up in the mood of an amusement park in the early 'Seventies, with its ice cream vendor pushing his cart amidst townspeople strolling to and fro under the watchful eye of an old time copy or two.

In theater-in-the round, there is no curtain to rise, and for a short time audience and players mingle until the former is settled. Then the lights dim, the overture rises to its accustomed crescendo, and as the lights brighten, we see a living carousel turning slowly. So begins this bittersweet story of Billie Bigelow (Joe Nabrigo), a carnival barker who thought he was so tough he "didn't need anybody," and Julie Jordan (Jackie McGarry) who knew he needed her.

Lavish Care

The sets which surround both audience and players are some of the most imaginative seen on the little theater beat, and much care has been lavished by all concerned on even the most minor details. This has resulted in what is without a doubt the finest little theater musical we have seen.

The cast of "Carousel" is quite large, and though it really isn't fair to single out only a few for mention, lack of space forbids anything else. Joe Nabrigo won a positive ovation for this singing of Billie's Soliloquy, and Jackie McGarry makes a gentle Julie, her clear sweet voice particularly effective in "What's the use of Wond'rin" and "You'll never Walk Alone."

Sugar and Spice

As her friend, Carrie, Ruthowan adds spice with her gaily romance with Mr. Snow (Neil Bradley), a stuffy soul, and Connell McCarty as Billie's faithless friend Jigger says his role with the dash and aplomb of an experienced meat.

Opening Night was sold out and more, with many standees, at least two of whom took turns occupying one seat. We were made slightly uneasy by the presence of a large number of juveniles in the audience, it invariably has been our experience that when the well-tentioned expose their young culture, the latter squirm, the former explain the plot blow-by-blow and they always next to us.

These were the exception, and follow the pattern we've served in little theater audiences—intent interest and no over-jabber.

B'moor Church Changes Hours Of Services

The Sunday school and morning worship service of Broadmoor Presbyterian church will be held at one hour, 10 to 11 a.m., beginning this Sunday, June 15, and continuing thru September 7.

Ordinarily, two sessions of the Sunday school are held at 9:30 and 11 a.m., the adult coffee class meeting at 9:30 and the worship service at 11 a.m. Under this streamlined summer schedule there will be no coffee class but adults will attend the worship service, with the adult and junior choirs singing as led by Delmar Severy and the preaching done by the pastor, Rev. Herbert C. Tweedie.

The junior choir rehearsal time will be 9 a.m. Sundays, with the adult choir practicing at the usual time of 7:30 p.m. Thursdays. There is baby and small child care under competent supervision each Sunday morning.

Actual Sunday school participation begins for three year olds in the nursery department and continues through high school age. John Rued is the superintendent of the Sunday school.

13-Day Trip For Brisbane Girl Scouts

Girl Scout Troop 64 of Brisbane embarks on a 13-day outing this Saturday, under the leadership of Mrs. K.D. Wood-en.

The girls will visit Mt. Diablo, Clear Lake, Lake Almanor, Lake Tahoe and Sacramento. Money for the trip was raised via hot dog and grease sales—a two-year project.

Supervisors include Mrs. Nadine Lorentz, co-leader, and Ann Mori, Senior Scout specialist.

Girls making the journey are Penny Richner, Joan Dettmer, Judy Lipton, Marsha Thompson, Barbara Spencer, Esther Durham, Alice Daigle and Carol Mozzetti.

Eastman Barbecue

Last Saturday afternoon Diane Eastman held a graduation barbecue for members of her sixth grade graduation class of Crocker School. It was held at her home, 331 Whittier street.

Those who attended were Linda McGowan, Pat Derrigan, Valerie Cannon, Greta Wagner, Ardyth Higley, Kay Leatherberry, Estelle Landau, Sylvia Landau and Sandra Zanon. Diplomas and graduation hats were presented to all.

INSTALLED Wednesday night were these new officers of Our Lady of Perpetual Help Mothers' Club. Seated (center) is President Mrs. George (Rose) Fair, and Mrs. Peter (Louise) Lafrano (left) and Mrs. Charles (Betty) Maschinot, vice president and recording secretary. Standing (from left): Alice Gonzales, corresponding secretary, and Mrs. John (Dorothy) Coleman, financial secretary. THE RECORD photo

KAY LOGAN AUXILIARY PRESIDENT

The 26th District Drill Team made the recent installation of new American Legion Auxiliary 824 officers a very impressive affair.

Broadmoor Community Center was the site of the festivities. Mrs. Logan was installed as new president. Her fellow officers are:

Dee Cowan, first vice president; Betty Cooper, second vice president; Dolores Napolitano, secretary; Marian Hilton, treasurer; Coleen Phillips, chaplain; Lillian Broner, historian; Lillian Williams, sergeants-at-arms; Grace Marconi, marshal; and Cleo Chesky, Jean Wiitala and Betty Christman, executive committee.

Distinguished guests included Mrs. Helen Buryessa, Mrs. Leslie Hansen, Mrs. Florence Chess and Mrs. William Pence.

Libraries Open Summer Reading Program For Children Next Week

By Sam Chandler
City Librarian

June 16, next Monday, is the day the annual summer reading program at the Daly City libraries begins.

This is a program for the individual boy and girl. It's chief aim is to have fun reading. Now, all adults will admit that reading is good for us, but to try to get a child to read with this argument is like selling him on lemon chiffon pie by telling him how many energy units it contains. And we certainly don't do that.

Swimming lessons, chances to go to Santa Cruz, Playland, and other fun need not be missed. Because the program is very informal, anyone may join, at any time that suits his convenience. Of course, we'll miss you if you don't come in to report on what you've been reading and give us a chance to help you pick out books you'll like.

At the end of the summer there won't be a pot of gold, but there will be the remembrance of some wonderful reading hours plus a good list of books to show along with that shell collection and improved pitching arm.

Anyone who wishes may join Smokey Bear and become a California Junior Forest Ranger. For those who are already in this program through Scouts, school classes, and other such agencies, an

embryo beginning as a Junior Book Reviewer may be made. If you aren't interested in either of these, the library is looking forward to seeing one and all children this summer.

We are at Daly City Public Library, 6351 Mission street, and the Westlake-Broadmoor Branch, 34 Park Plaza drive.

COUNTY BUILDING TRADES COUNCIL BLOOD DRIVE

The Peninsula Memorial Blood Bank will be the site of San Mateo Building Trades Council Blood Drive, to be held SATURDAY, JUNE 21, between 8 a.m. and noon. The drive is in memory of recently deceased Chef Elliott, business agent of Operating Engineers Union 3.

Co-chairmen Bill Raney and Jerry Dowd expect over 150 members to donate a pint of blood. This will top a similar drive last year in which 135 pints were given. Breakfast and refreshments will be served after the donation—and those giving are warned not to eat for EIGHT HOURS beforehand.

Peninsula Memorial Blood Bank is located next to Peninsula Hospital, at 1791 El Camino, Burlingame. Appointments can be made by calling OX 7-4034.

Contamination by fallout is possible without visible evidence of moisture or dust.

Friends Of DC Library Move To Incorporate

First steps toward incorporation were taken by Friends of the Daly City Library at the annual meeting of the organization. A resolution authorizing incorporation was adopted by unanimous vote, and it is expected that the necessary legal procedure will be completed by the opening of the fall program of activities. The members expressed their appreciation to Hartley Appleton for his helpfulness in this important matter.

At the same meeting, officers for the year 1958-59 were elected: Mrs. Otis H. Calhoun, president; Mrs. Howard Stites, vice-president; Mrs. Del Wilson, recording secretary; Mrs. E. S. Liska, corresponding secretary; Mrs. Jack Hurt, treasurer; Mrs. U. R. Kendree, parliamentarian; Loren Cheda, Mrs. Julian D. Cohn, Richard Merritt and Mrs. Robert Woods, directors.

Mrs. Richard Merritt was appointed historian.

Mrs. Calhoun has announced the appointment of Mrs. Merle Barton as membership chairman, Mrs. Roy McLaren as projects chairman, and Mrs. Julian D. Cohn, publicity chairman.

Pointing out that Friends of the Daly City Library were greatly heartened by the recently announced completed negotiations for the acquisition of the new library site on Southgate avenue, Mrs. Calhoun said: "Now that we know that the new site is assured, Friends of the Library can go forward with greater confidence in its plans to acquaint the people of Daly City with the purposes of the library and the need for building it up into an ever stronger cultural and educational influence in our community. Our new membership chairman, Mrs. Barton, and her committee, are already formulating plans for a membership campaign among all groups in the community, to gain through an informed membership an ever growing understanding and support of the aims and purposes of our Library."

Let me tell you what I saved when I drove a new Plymouth...then bought one!

Just like a lot of other people, I was putting off buying a new car... even though we sure needed one. Then I found out what my Plymouth dealer was offering in the way of low prices and really big trades.

Mister, when I saw what I saved I knew there was no use putting off any longer! Got more for my old car than I believed possible. (Plymouth dealers need used cars and can sell all they get!) Got a terrifically low price on the new Plymouth... and choice of models besides... hard-tops, sedans, convertibles, wagons.

And I saved a cool \$140 on the ride alone! Plymouth's top-luxury ride, Torsion-Aire Ride, is standard at no extra

cost, while you have to pay up to \$140 for the top ride of competing "low-price 3" cars.

What's more, I got the car that proved it can save me gasoline, by winning the 1958 Mobilgas Economy Run. A car with Silver Dart Styling that is so far ahead right now it will still be worth more when I trade. With the kind of easy handling that makes every minute of driving a downright thrill! The stamina to stand up without nagging adjustments and big repairs... a car as much better built as it is better looking!

Any wonder I quit waiting? Take my tip... get your Plymouth bargain right now.

Today's best buy...tomorrow's best trade... *Plymouth*

JEFF HIGH AWARDS

Gary Ryan Chosen 'Athlete Of Year'

Modest Gary Ryan, senior from Brisbane, was selected Jeff High's "Athlete of the Year" last Thursday during the annual sports award banquet.

Sunday Summer Baseball Loop Organized Here

Formation of a six-team Sunday Summer League for play at Marchbanks and Jefferson High each Sunday, beginning June 22, was announced today by Lowell Creighton after a meeting with the managers.

Each team will meet the other in the first round, then will change fields and meet all opponents for a second round. After the two rounds, a play-off will decide the Sunday Summer champ.

All games at Jefferson High diamond will begin at 11:15 a.m., and two games will be played at Marchbanks, the first at 11:15 a.m. and second at 1:30 p.m.

Three teams from Daly City are Our Lady of Perpetual Help, Police Athletic League and Daly City Drugs. Dee's Associated from South San Francisco will field one team, and the others will be L'il Village and South Sunset, both of San Francisco.

"This will assure good baseball for Daly City fans," Creighton stated, "and with three teams based here, many boys will have a chance to play ball this summer."

U.S. Marines landed for the first time in Korea in June 1871.

quiet attended by 132 performers and their dads.

Ryan, whose name goes on the giant school perpetual trophy, joins the list of Jeff's most versatile athletes. He was above-average in varsity baseball, basketball and football.

All-American blankets also went to Paul Tapia, football; Ryan and Dennis Marc, basketball; Sonny Martinez, track; Fred Howard, swimming, and Barrie Haanen, baseball.

Making some 71 award presentations were coaches Mike Orlich, Bob Watt, Harry Vapelon, Joe McGrath and Steve Mezzer.

Catcher Jerry Kennedy won the school baseball batting title trophy for his .387 plate average this spring.

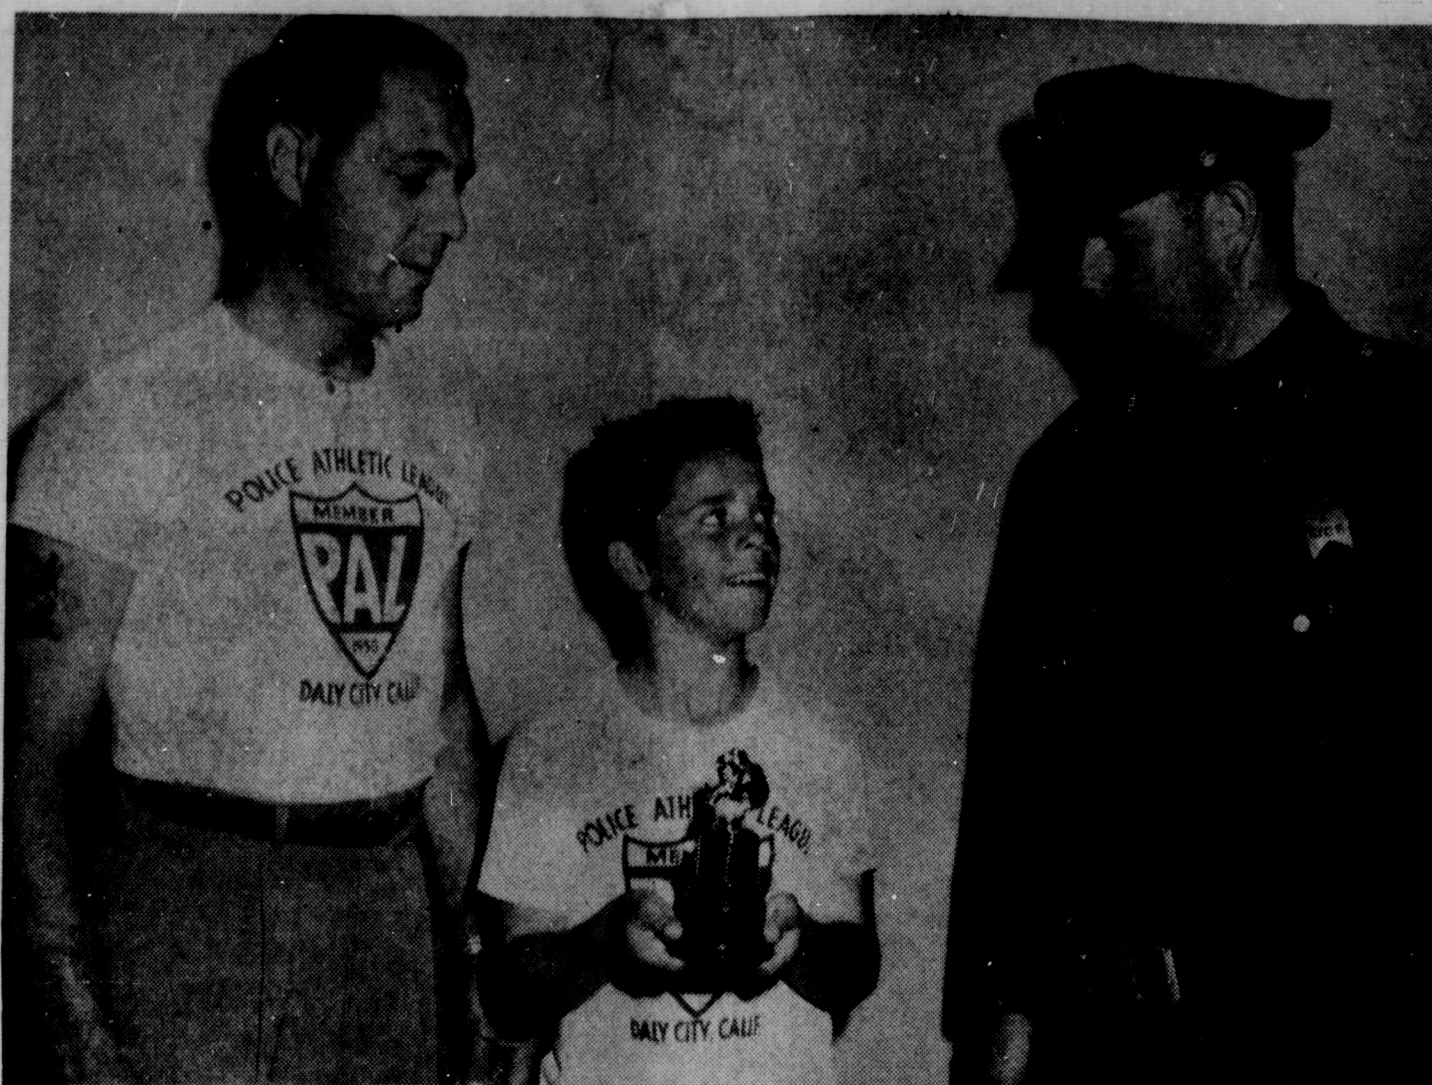

COLVIN KIDS DOWN 2 MORE MIDGET FOES

Art Colvin's Broadmoor Youth Association Midgets — may be the best of their kind in Northern California — dusted off two more foes last week.

The Hix kids blanked San Pedro Lunch in practice, 21-0, then in league action continued spotless with an 18-0 decision over Police Athletic League squad number two.

Ron Johnson was the mound victor in the second contest, allowing five hits, four walks and fanning nine. Bruce Hix smashed two homers and Gary Mendoza stroked another.

BYA tackles also undefeated Westlake Flying A in a showdown tilt this week.

RICHARD Nunes, 85 pounds of Police Athletic League dynamite, sports his outstanding boxer trophy, won last month when the DC cop kids met San Bruno Boys club. Coach Ralph Matteucci (left) and PAL President John Coleman send their squad against Vallejo Mar. Boys Club this Saturday afternoon at Linda Mar. The PAL ringsters host South City's PAL team at Westmoor High the night of June 27. Tickets can be obtained from Coleman or Buzz Beecher, PL 5-0850.

The United States now has more than 3,418,000 miles of streets and highways, reports the National Automobile Club.

DC, Vallejo Boxers Collide On Coastside

Daly City Police Athletic League boxers take on Vallejo Mar. Boys Club a second time this Saturday afternoon as a special feature of the Western Days celebration at Linda Mar Shopping Center.

At least 12 bouts are carded between the two rivals. First time they met, Daly City's boys won the most scraps.

The exhibitions mark the DC PAL squad's third dual meet of the season. The locals lost to San Bruno Boys Club in their last outing.

Richard Nunes, voted the most outstanding boxer against San Bruno, leads DC in the 85-pound class.

On Friday night, June 27, in Westmoor High School gym, the Daly City leather tossers host South San Francisco's Police Athletic League squad. This is believed the first all-PAL show in San Mateo County. Admission is \$1 for adults and 50 cents for youngsters. Proceeds will go into the PAL equipment funds of both cities.

ART LINHARES WINS POLICE GOLF TOURNEY

Steady Art Linhares, Daly City's answer to Ben Hogan, shot a one-under-par 70 to win the Ralph Hall Memorial Tourney at Tilden Park course.

The all-police meet saw Daly City's gendarmes take third place in team standings. Chief Roland Petrocchi came closest in hole-in-one competition, depositing the ball 14 inches from the cup.

Ralph Hall was a prominent Bay Area police officer, victim of a fatal boating accident.

'MOST VALUABLE'

Patron Paces North Win Over South, 9-2

Daly City's Ino Patron wore the hero's mantle Saturday as he paced the Peninsula League All-Stars to a thumping 9-2 win over the South Peninsula nine at Stanford's Sunk Diamond.

The Jeff High second sack an all-leaguer three straight seasons, was voted the game's most valuable player trophy. He collected three hits (one double) and handled 10 chances without a miscue.

Outfielders Gary Ryan and Barrie Haanen also performed on the North squad, co-sponsored by Jeff Coach Steve Mezzer.

Jim Patrick, and Gene Thiaferri shared mound chores for the winners.

Billy Ludwigsen Hurls Drug Kids Past PAL, 7-0

Billy Ludwigsen held the Police Athletic League nine to two hits while his team mates were pounding Jay Eastman for ten to defeat the PAL, 7 to 0, Saturday at Jefferson High diamond.

Ennen singled in the third, and an error, a walk and Trience's single loaded the bags in the fourth, but good fielding kept PAL from scoring. With men on first and second, Bobo Johansen hit back to Ludwigsen and forced Eastman at third. Trience's hit followed, but the next batter fanned to end the inning.

Mike O'Leary had a perfect day at bat with four for four, three of them triples. He batted in three runs and scored three. Barry Krohn also scored three times going two for five.

George Claus hurled the ninth inning, and after walking the first two men to face him, struck out the next and was helped with a double play when O'Leary fielded a grounder, touched third, and threw to Krohn at first in time to retire the final batter.

The Creighton-Krohn kids were rained out Sunday, but will travel to Orange Field in South San Francisco to meet Dee's Associated at 1 p.m. Saturday. Tom Bournellis' Daly City Drugs will return to Marchbanks to take on the Marchinists nine Sunday at 11:15 a.m.

SID SWANSON 'TOP ATHLETE' AT WESTMOOR

Councilman Bob St. Clair, captain of the 49ers, was guest speaker last week at Westmoor High's second annual Father-Son sports award banquet.

Sid Swanson won double honors, receiving the outstanding athlete award and "Senior Athlete of the Year" recognition. He was praised at the mike by Principal Glenn South, former

Stanford quarterback, Physical Education Director Tony Giammona, ex-Michi Stater.

Introducing the athletes were coaches Ernie Ribera, Stensland, Pete Matisi, Losberger, Byron Van Alys and Richard Coltrane.

St. Clair reviewed the outlook and narrated film highlights of the '57 season.

SPOILS of victory go to players and leaders of VFW Post 2600 after winning the Daly City Adult League cage title. Players in front row (left to right): Jim Schaeffer, Vallejo JC; Kevin O'Shea, Notre Dame All-American; George Geister, Marin JC; Phil Vukicevich, USF national champs. Standing (from left): Jim Argyris, team manager; Bob Stout, Oregon U.; Manny Spallas, post commander; Al Patsel, Oregon State, and Coach Tom Tjovenos. Players elsewhere were Max Anderson, Ken Wegner, John Flaherty and Carroll Williams. THE RECORD photo
